Coin Sort and Count the Bank

Ages 5–6 | Print at actual size · US Letter · cut pieces with adult help

Parent guide: Sort first, then count each cup, then write the total. Use large bottle caps or counters as the ordinary set. Recount a cup if the count is interrupted.

Cup / kind	Tally (groups of 5)	Total
☐ kind: _____	||||| ____ ____ ____	
☐ kind: _____	||||| ____ ____ ____	
☐ kind: _____	||||| ____ ____ ____	
☐ kind: _____	||||| ____ ____ ____	
☐ kind: _____	||||| ____ ____ ____	

Which cup has more? Check by lining two groups side by side, then look back at the written numbers. Large bottle caps or counters are the ordinary set. Do not use coins with a child who mouths objects, and never leave small metal pieces in a low cup.
