Ages 5–6 | Print at actual size · US Letter · cut pieces with adult help

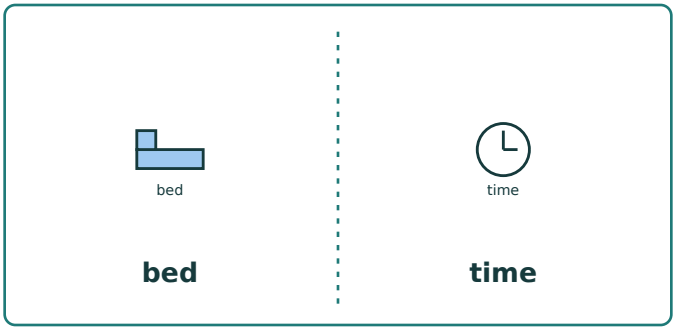

Parent guide: Cut on the dashed line to separate the two picture parts. Mix the halves, then join two cards to make a new word. Say each short word, then the compound.

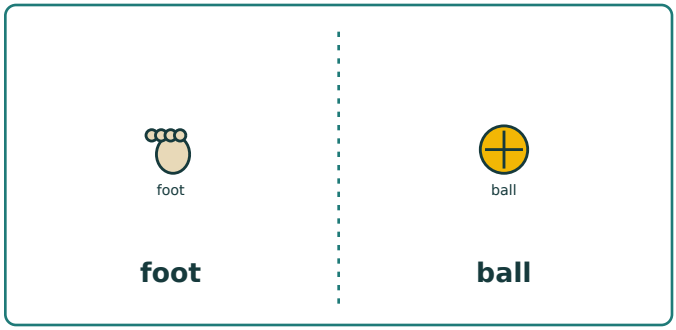

sunflower

raincoat

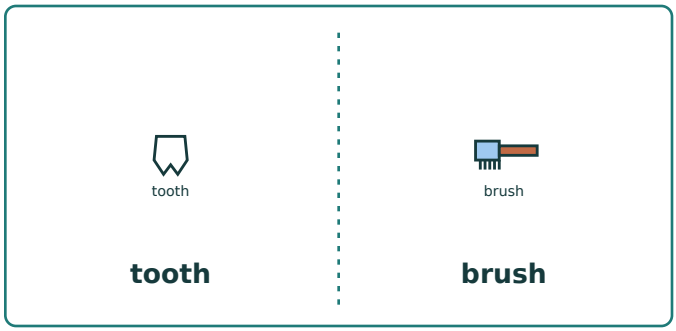

bedtime

football

butterfly

toothbrush

Matches: sunflower, raincoat, bedtime, football, butterfly, toothbrush. Cut only on the dashed line through each card. If a joined pair does not make a real word, look again and try a different match.
