CVC Flip Cards

Ages 5–6 | Print at actual size · US Letter · cut pieces with adult help

Parent guide: An adult cuts the cards and fastens the first-letter flips above a fixed ending with a ring or large paperclip. Blend from the first sound each time. Start with two letters.

Chains to try: cat, hat, mat, sat. Later: can, man, pan, fan. After a flip, ask which part changed, then reread the new word from the beginning. Store the set on its ring so a short review is easy another day.
