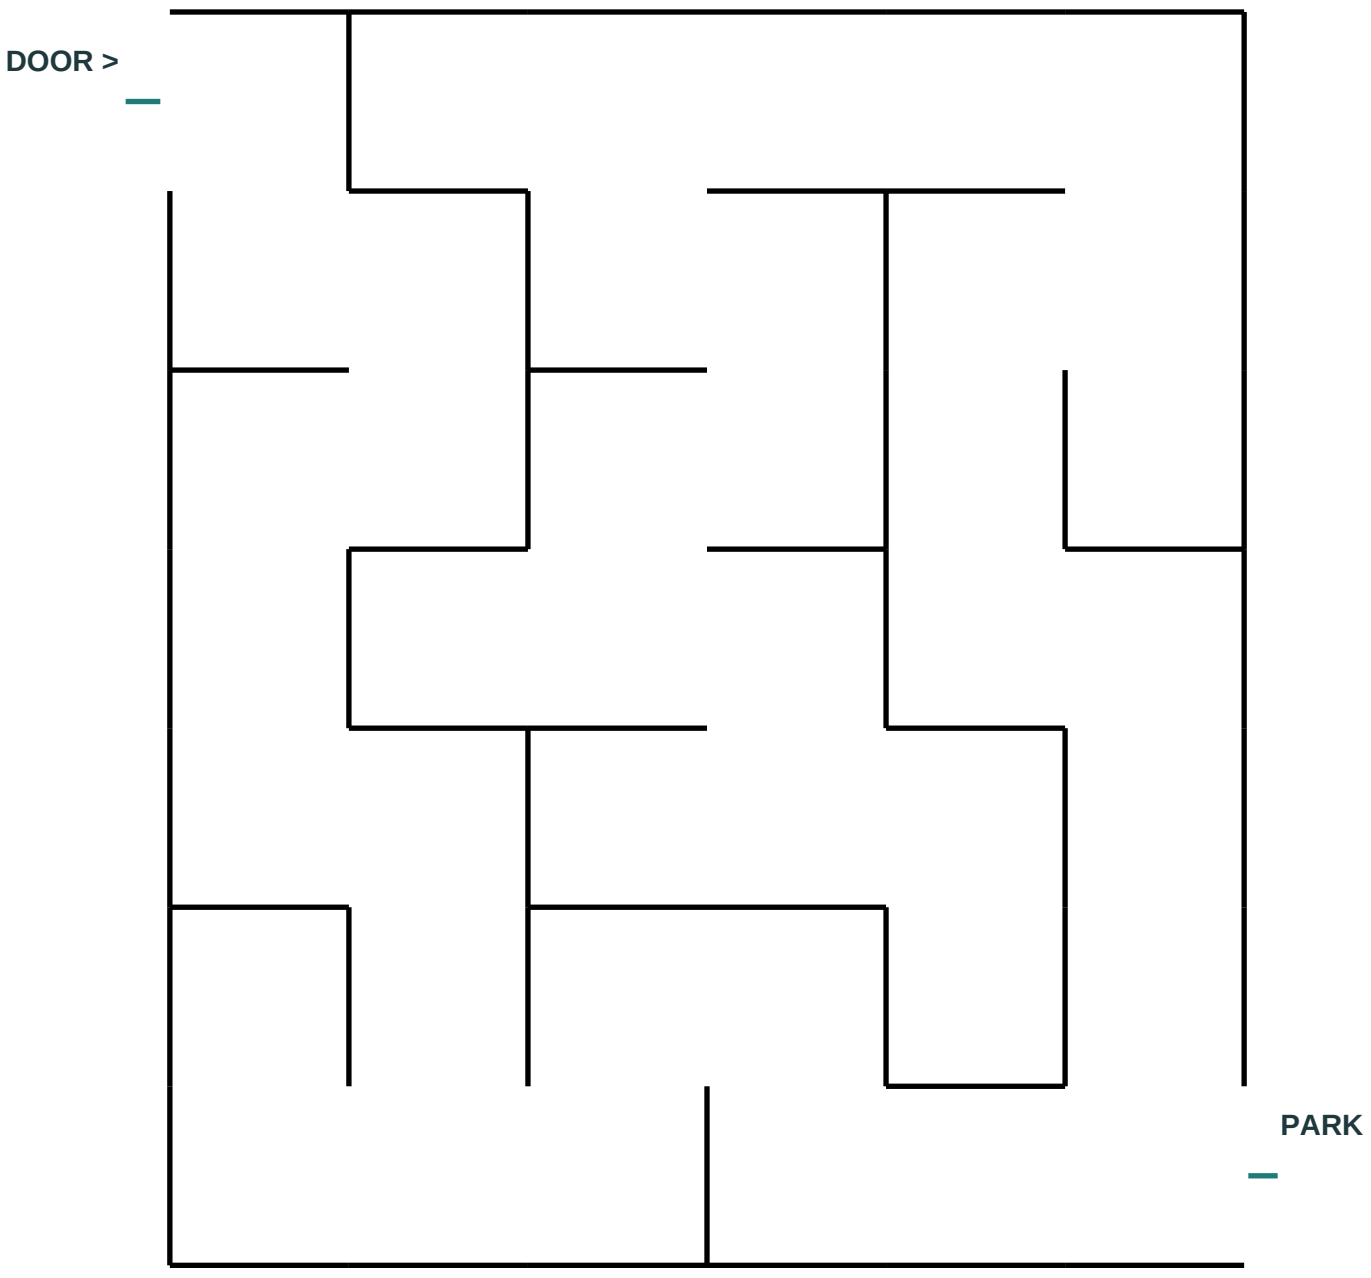
Door to the Park

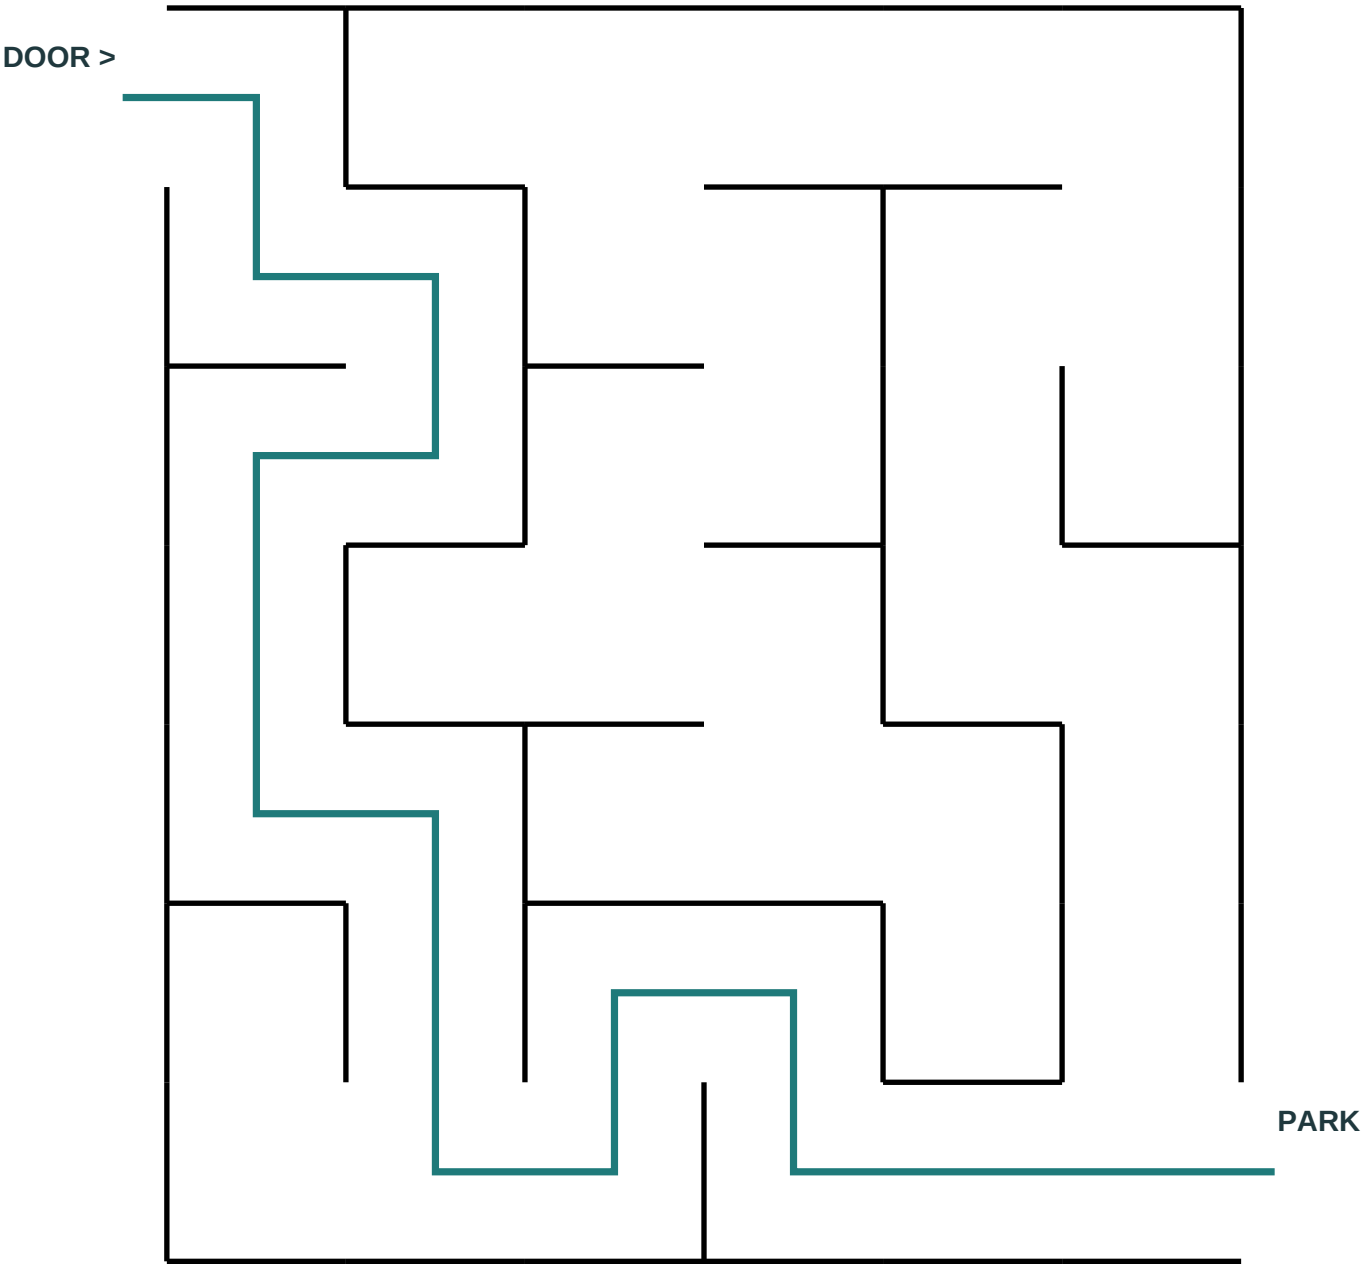
Start through the LEFT-wall opening near the top. Follow open corridors to the RIGHT-wall opening near the bottom. Dark lines are walls. Try a fingertip; drawing is optional.



If a branch closes, go back to the last choice. The bottom border is a wall: the exit is on the right side. An adult can point through the route while the child chooses a turn. No small toy or counter is needed.

Door to the Park / Adult solution

Start through the LEFT-wall opening near the top. Follow open corridors to the RIGHT-wall opening near the bottom. Dark lines are walls. Try a fingertip; drawing is optional.



If a branch closes, go back to the last choice. The bottom border is a wall: the exit is on the right side. An adult can point through the route while the child chooses a turn. No small toy or counter is needed.
