Paper Fold a Tiny Card

Ages 5-6 | Print at actual size - US Letter - fold a separate sheet; no cutting

Step 1

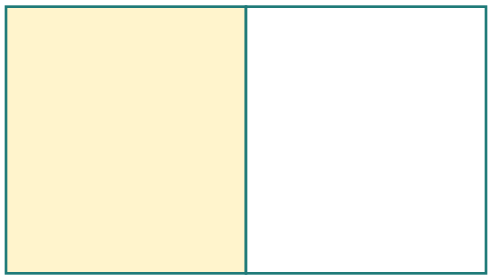

Fold the paper in half, short edge to short edge. Line up the edges, then press from the middle outward.

edge to edge

Step 2

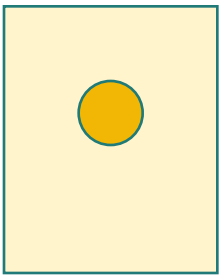

Fold it in half again to make a smaller card. Check that the crease can open like a book.

opens like a book

Step 3

Decorate the front with a drawing or a sticker, and add a short message inside if you wish.

decorate and give

If a fold is crooked, decide together whether to keep it or start a fresh sheet. Adults handle scissors if you later cut a decoration.
