Race-to-the-Park Counting Board Game

Ages 5–6 | Print at actual size · US Letter · cut pieces with adult help

Parent guide: Both tokens start at START. Roll, count one space for each pip, and move. A token stops at the park even if the roll is larger than the remaining spaces.

START	1	2	3 tell a park favorite	4	5
11	10	9	8 tell a park favorite	7	6
12	13 tell a park favorite	14	15	16	PARK

Rules: 1) Count new spaces only. 2) If you disagree about a count, return the token and recount together. 3) Landing on a shaded space? Tell one thing you like at a park, then wait for your next turn. 4) First to the park finishes the trip; you may play once more if you both want to.
