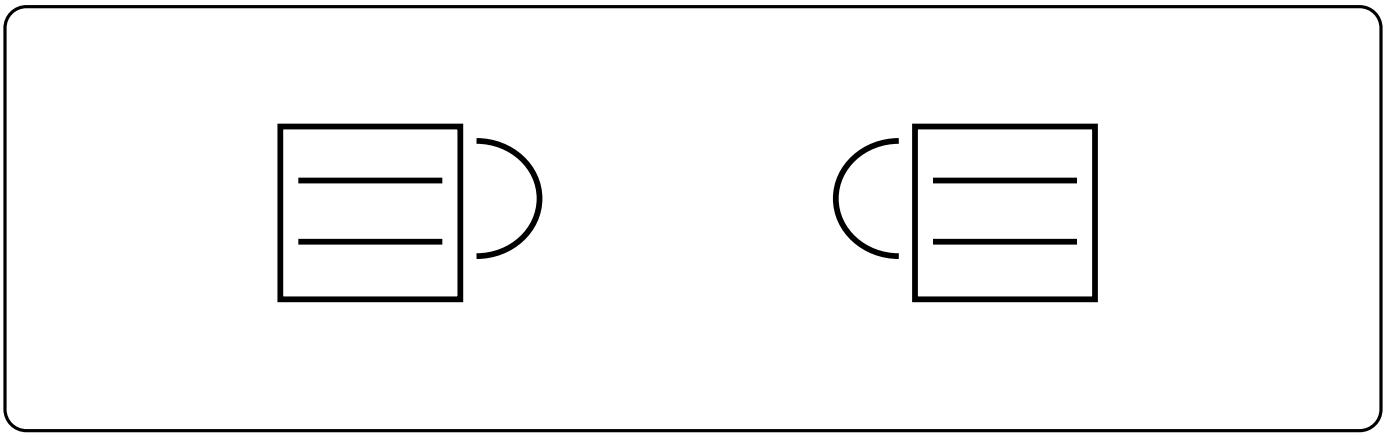
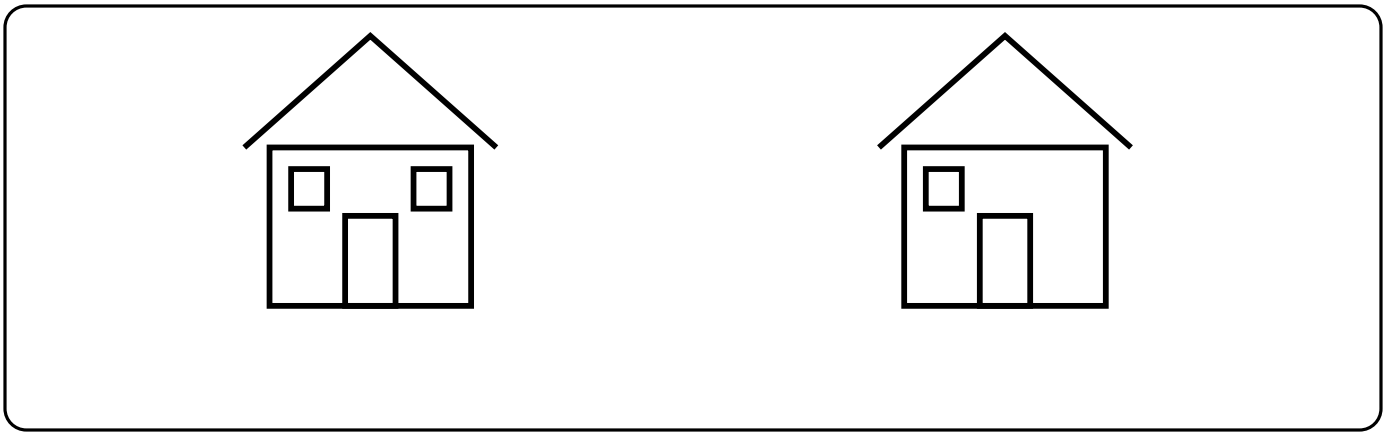
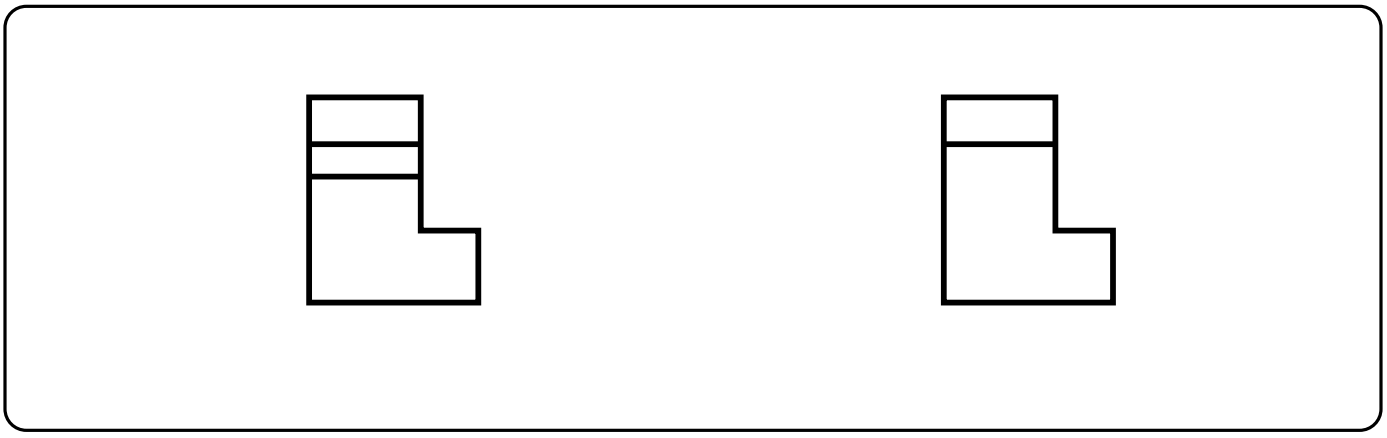
Same & Different: Look Closely

For each pair: name one thing that matches and one thing that changes. Point, circle, or tell an adult. The drawings are a low-ink alternative to photos.







Adult Conversation Guide

Use the pictured pairs for an unhurried discussion. These are example observations, not a list the child must complete.

Cups

Both are cups with stripes. The handles point in different directions.

Houses

Both have a roof and door. The left house has two windows; the right has one.

Socks

Both have the same outline. The left sock has two stripes; the right has one.
