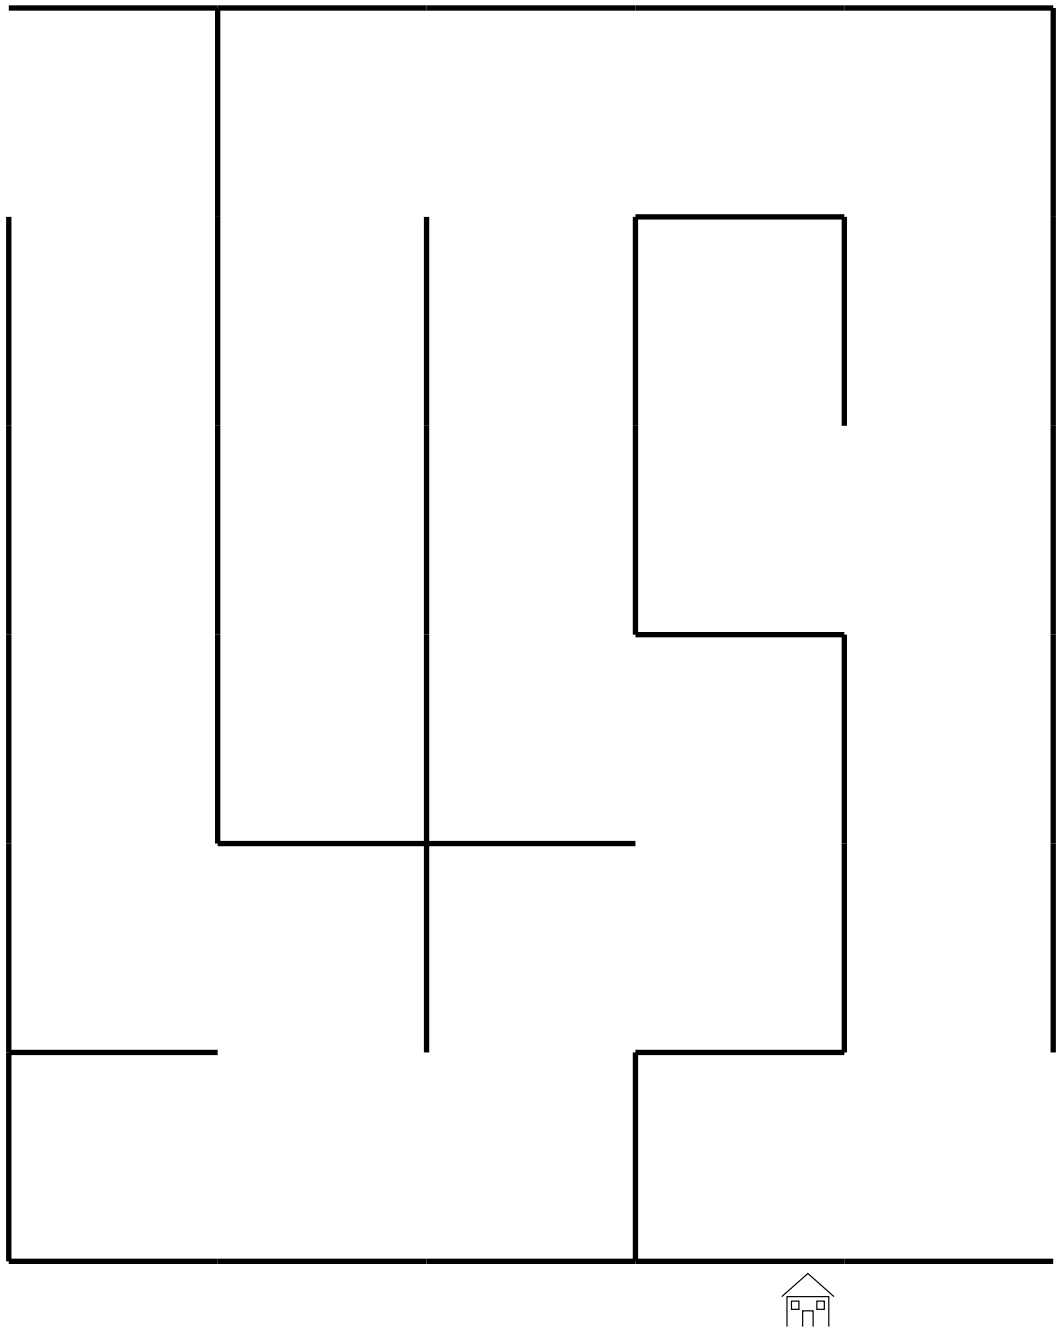
Level 1: A Short Way Home

Start at the left opening. Follow the white corridors to HOME. Try a finger before a pencil; backtrack from closed paths.

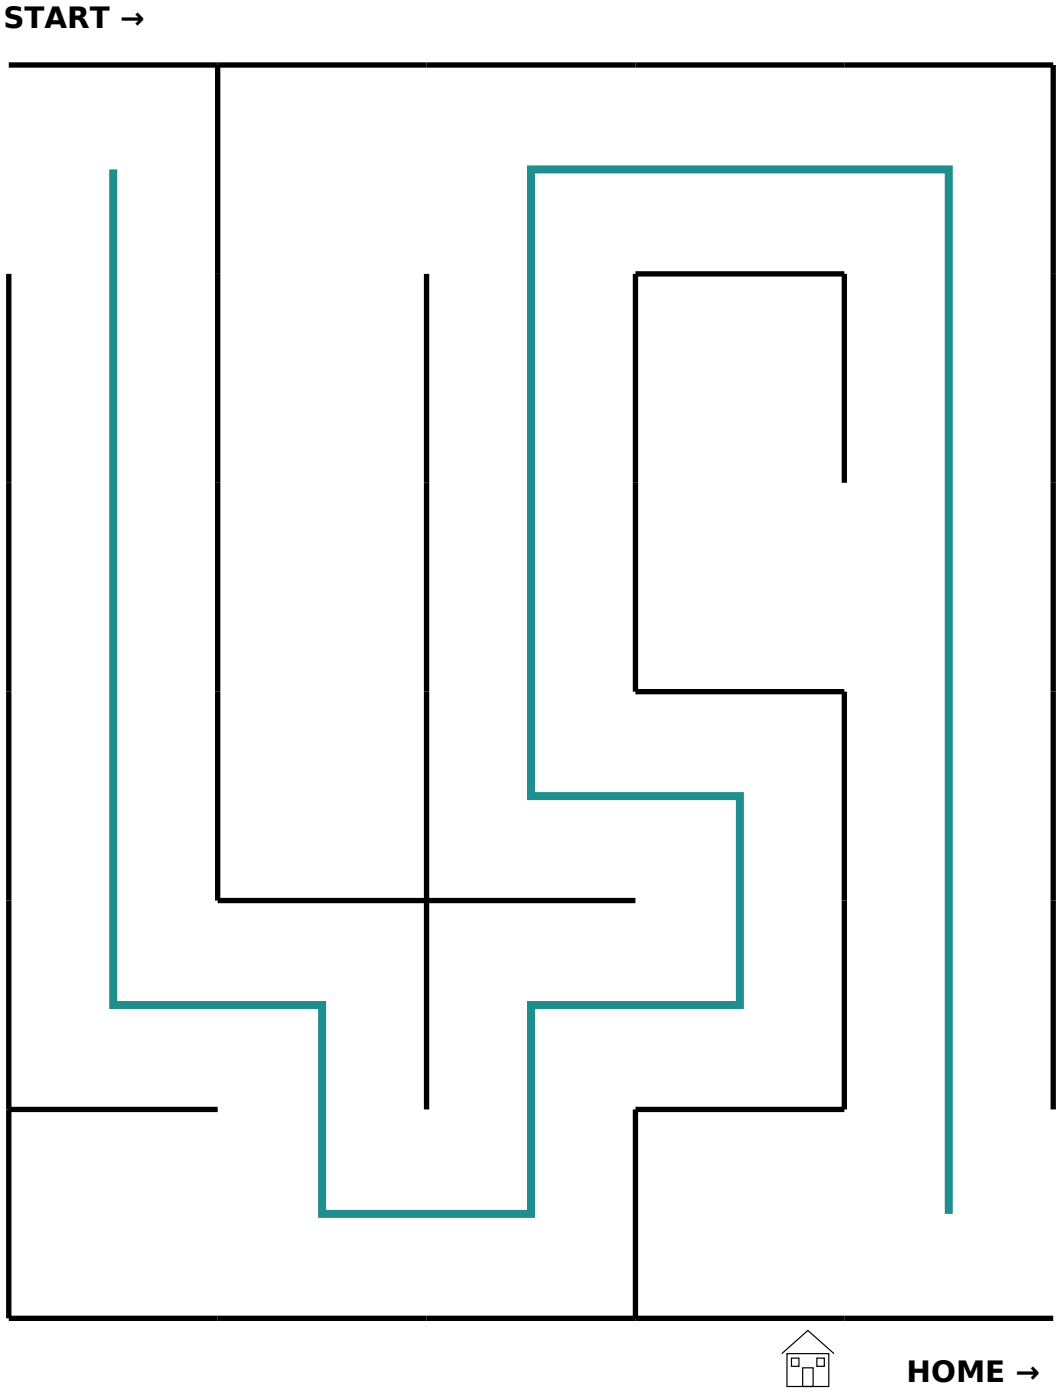
START →



Tell the route: Where did you turn? Which path was closed? Reaching home matters more than a perfectly straight line.

Adult Solution: Level 1: A Short Way Home

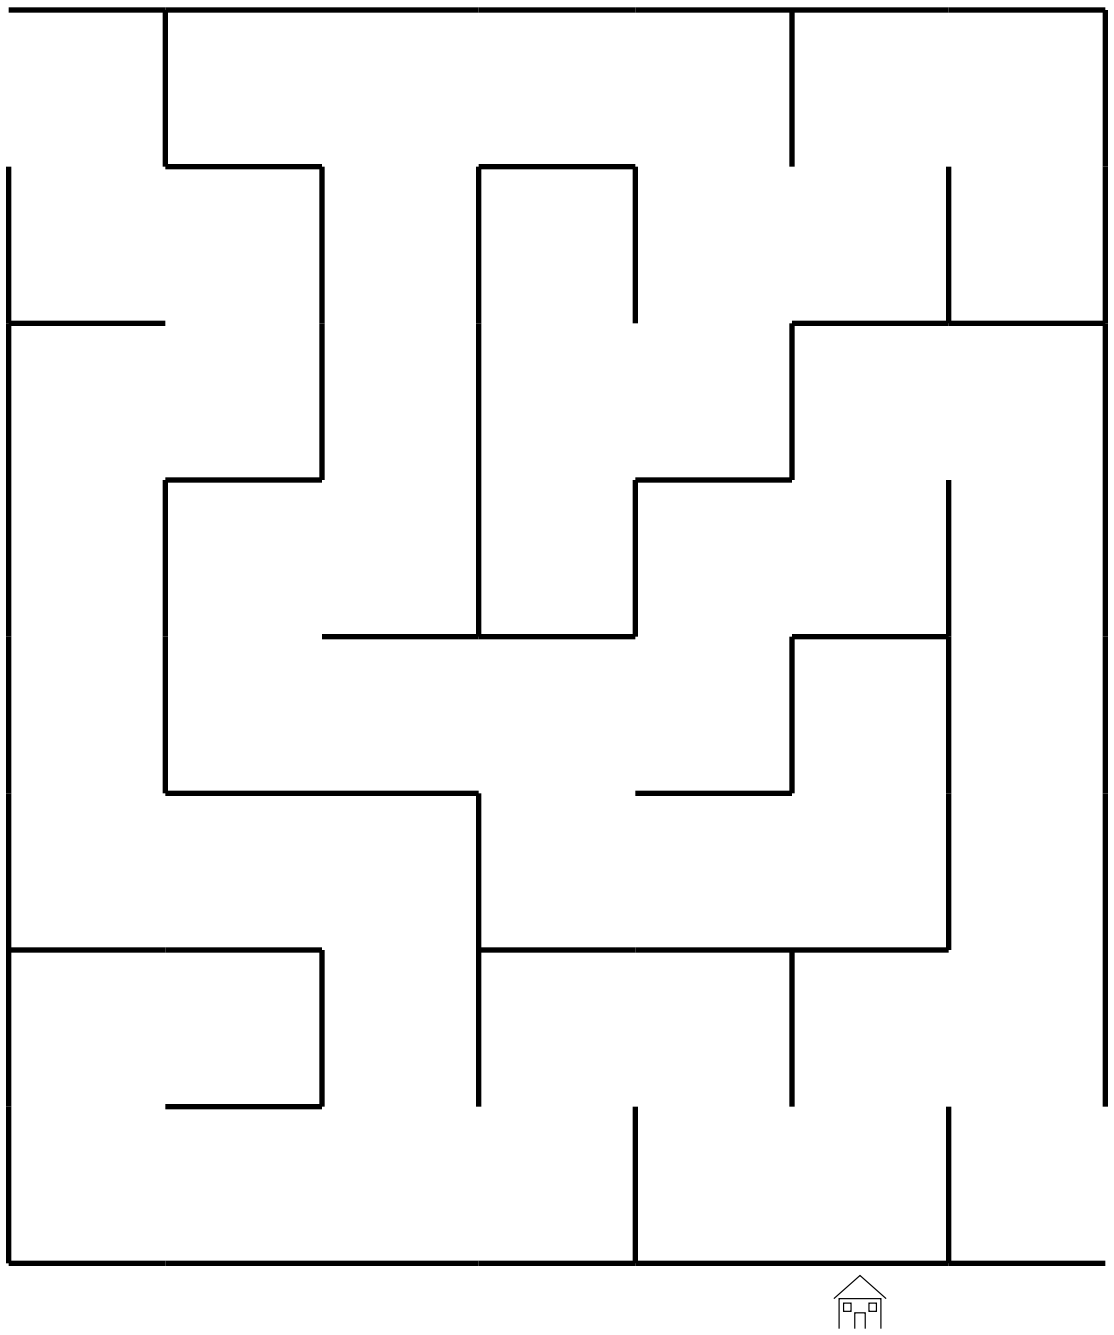
Start at the left opening. Follow the white corridors to HOME. Try a finger before a pencil; backtrack from closed paths.



Level 2: More Turns

Start at the left opening. Follow the white corridors to HOME. Try a finger before a pencil; backtrack from closed paths.

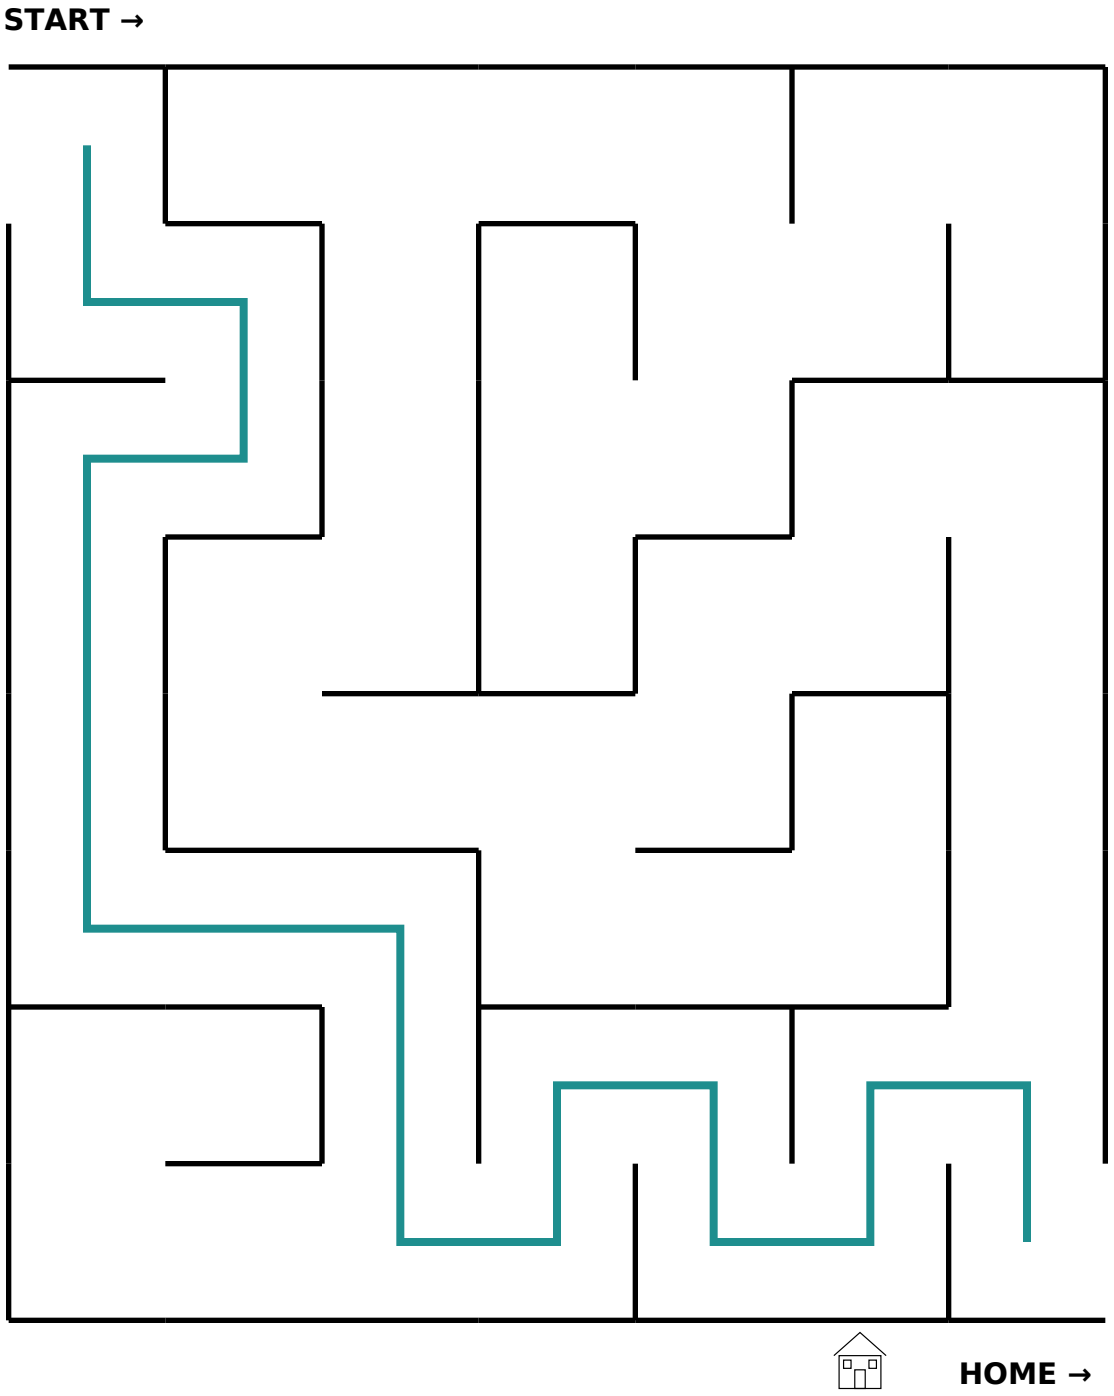
START →



Tell the route: Where did you turn? Which path was closed? Reaching home matters more than a perfectly straight line.

Adult Solution: Level 2: More Turns

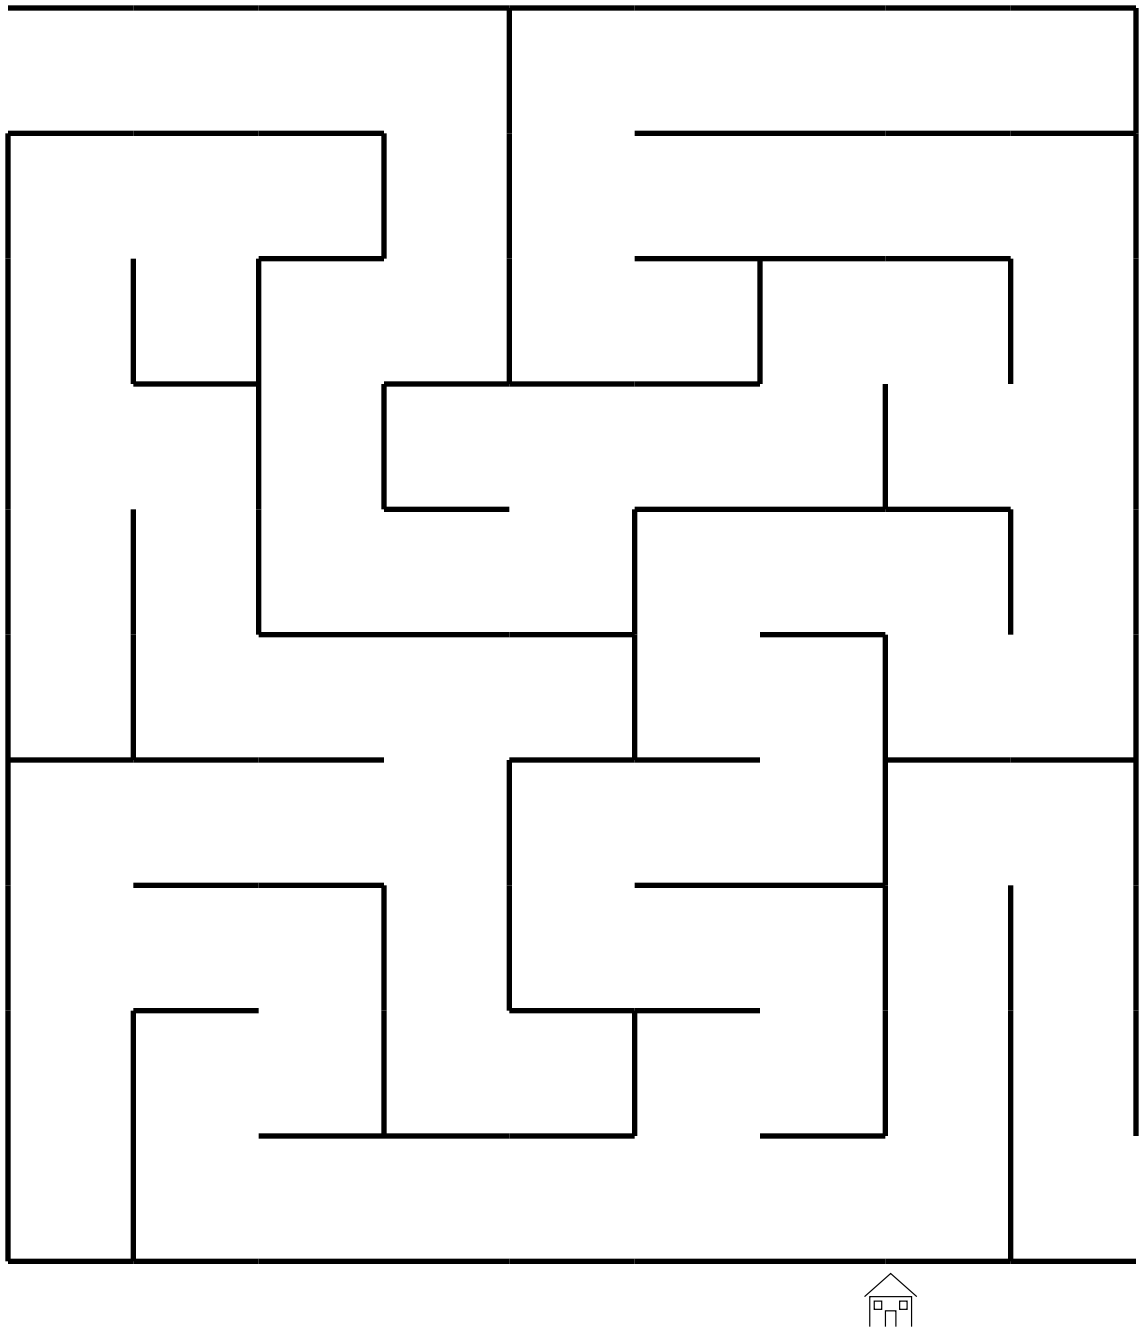
Start at the left opening. Follow the white corridors to HOME. Try a finger before a pencil; backtrack from closed paths.



Level 3: A Longer Journey

Start at the left opening. Follow the white corridors to HOME. Try a finger before a pencil; backtrack from closed paths.

START →



Tell the route: Where did you turn? Which path was closed? Reaching home matters more than a perfectly straight line.
