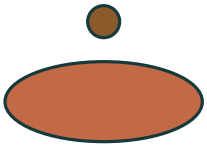
Story Retell With Three Picture Cards

Ages 4–5 | Print at actual size · US Letter · cut pieces with adult help

Choose one: read a familiar book and draw its events on the BLANK cards, OR tell the separate seed story with the top three cards. These scenes happen over time; narrate the watering action for the middle card. Keep the sheet whole if loose pieces would be mouthed. Ages are suggestions, not developmental standards.

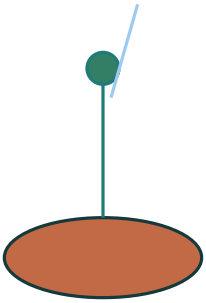
Beginning



plant a seed

A child pats a seed into a pot.

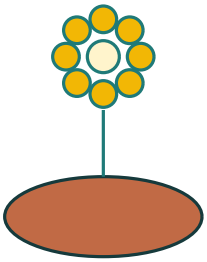
Middle



water the sprout

A watering can helps a small sprout.

End



see a flower

A flower opens in the pot.

Blank cards for your own story. Draw one important event in each box.
