Yes-or-No Guess the Object

Ages 5-6 | Print at actual size · US Letter · use the whole page; point to a prompt, no cutting

Parent guide: Hide a familiar, adult-chosen object behind your back or under a cloth you hold, not in a drawstring bag. Answers must be yes or no. After each reply, summarize what is now known. Eight tries is a friendly limit.

Is it something we use in the kitchen?	Is it smaller than a shoe?
Is it something we wear?	Is it something we use at the table?
Is it made of paper?	Is it found in this room?
Can it hold water?	Is it a toy?
Do we use it in the morning?	Is it softer than a cup?
Is it a tool we hold in one hand?	Blank question: Is it _____?

Eight-try tally. Cross a box after each question.
